

Mezaach Abdelmadjid Middle School <u>Teacher</u>: Amira Bekkouche

The second term exam

Dentist: What is wrong with you, kid?

Amir: I have an awful toothache

Dentist: How long have you had this pain?

Amir: For about a week. And it is really getting bad.

Dentist: Do you usually eat a lot of sweets?

Amir: Yes. I always buy some sweets and chocolate to eat them after school.

Dentist: It will hurt more when you eat something sweet. So, you should stop eating them. You should not also eat or drink something cold. I will prescribe some pills to stop the pain.

Amir: That is great.

Dentist: You should also brush your teeth three times a day.

Amir: Absolutely.
