

Second Term English Exam**Text:**

Hi, I'm Sandy. Today, I should stay at home. I'm not feeling very well. I have got a headache, a running nose and cough. I think I also have a fever. As it could be covid-19.

I get tested, but until the results are ready, I have to stay isolated in my room. Mom gives me fresh orange juice and an aspirin every six hours. I also take syrup for my cough. I hate it when I'm sick because I shouldn't meet my friends, I shouldn't go to school and I shouldn't play tennis. I hope the test will be negative!!!
