

When I Was a Student

My name is Judy. When I was young, I used to go to Smallville Junior High School. When the weather was fine, I used to go there by bicycle. When it rained, I went by bus. We had Maths, English, History and Geography. We also learnt Latin which I like and I hate Greek. We didn't have computers science because computers didn't exist at that time. After school, I used to go to the club to learn playing on the piano. At weekends, I used to visit my grand parents.
